

# The Great Grid Upgrade

Norwich to Tilbury

## Norwich to Tilbury

June 2023 Public Consultation

**National Grid is inviting local communities to comment on the latest proposals for a new electricity reinforcement needed between Norwich and Tilbury.**

**Our proposals include building new overhead lines and associated pylons and underground cables between existing substations in Norwich, Bramford and Tilbury, along with a new substation in Tendring to connect to new offshore wind generation and interconnection.**

To find out more about our proposals, please join us at one of our public consultation events, where members of the project team will be available to talk through our proposals and answer any questions.
